What Is Linting?

Why Lint?

Linting may find:

- pinpointing possible logical errors in your program
- non-adherence to coding standards and conventions
- formatting discrepancies

Why Not?

A flock of sheep is grazing on a lush green hill. The sheep are scattered across the horizon line, with some standing and others partially visible. The sky is a vibrant blue, filled with numerous white, fluffy clouds of varying sizes. The overall scene is peaceful and pastoral.

Linters Are Static
